Items that are in good working order are the most beneficial for our programs. We do not repair broken items, and the disposal of such items takes away from our mission and programs. The attendants & sale associates on duty have been instructed to turn down any donations that they feel will not benefit Goodwill.

Your opinion is important to us. We invite you to share your comments on our service by calling our Donor Hotline at 615.346.1624 or 800.545.9231. Thank you for understanding and thinking of Goodwill Industries.
